

Welcome

TO FRIESGROEN

About us

FELICITAS, STEFFEN AND TITUS

Our family currently lives in the Ruhr area. We love nature and water and have fulfilled a dream with our holiday home in Terherne. We put lots of love into the renovation work and would like to share our dream of a house surrounded by nature.
Just feel like home!

Steffen & Felicitas

About Friesgroen

LOUWER OM'E TUN 21, 8493LN
TERHERNE

“Friesgroen” has 10 sun panels on the roof and claims to get all of its energy from the sun. If it gets colder the stove supports to keep the house warm and cosy. The hot water preparation is also controlled by an electric boiler on the upper floor. If the water is used up, the boiler needs some time to provide new hot water. Please help us to achieve the goal of a "green holiday home".

TV "THE FRAME"

The TV in the living room permanently shows a picture from the art gallery. In this mode, it uses little power. It has a motion sensor and turns off automatically after a while. In the art gallery you can change the picture. With the TV you have access to a Dutch Netflix account and other apps. You can change the volume by moving the volumebutton up or down.

SONOS BOX

To connect to the Sonosbox, you have to use the following steps:

1. Download the Sonos app on your smartphone

2. Connect to the network:

"TMNL-54E1E1" Password: 49EJ7UMMLR7WFC74.

3. Log in with the Friesgroen-Account.

The Kitchen

We have provided coffee and tea for you in the kitchen cupboard. This is freshly replenished for each guest. Smaller everyday foods such as spices and oils are also checked frequently. If you use up one of these things, it would be great if you could refill it, so the next guest can also enjoy the offer. The cutlery drawer is located in the left drawer directly under the worktop. It can happen that glasses or dishes fall down and break occasionally, please let us know so that we can replace it.

Trash/ Recycling

In these regions, a distinction is made between residual waste, paper waste and organic waste. The garbage cans are behind the pointed shed. Usually they are emptied every 14 days (see garbage plan). Please avoid unnecessary packaging waste when shopping and fold milk cartons and PET bottles together before disposal.

In the village there are additional containers for glass and paper waste (Koailàn 38493 LA Terherne). If the garbage cans are still full, just let us know.

Traffic

Friesgroen is located in a restricted traffic area.
Attention one-way street!

Parking

You can park your car in the driveway next to the house. If necessary, there are more parking spaces in front of the pier.

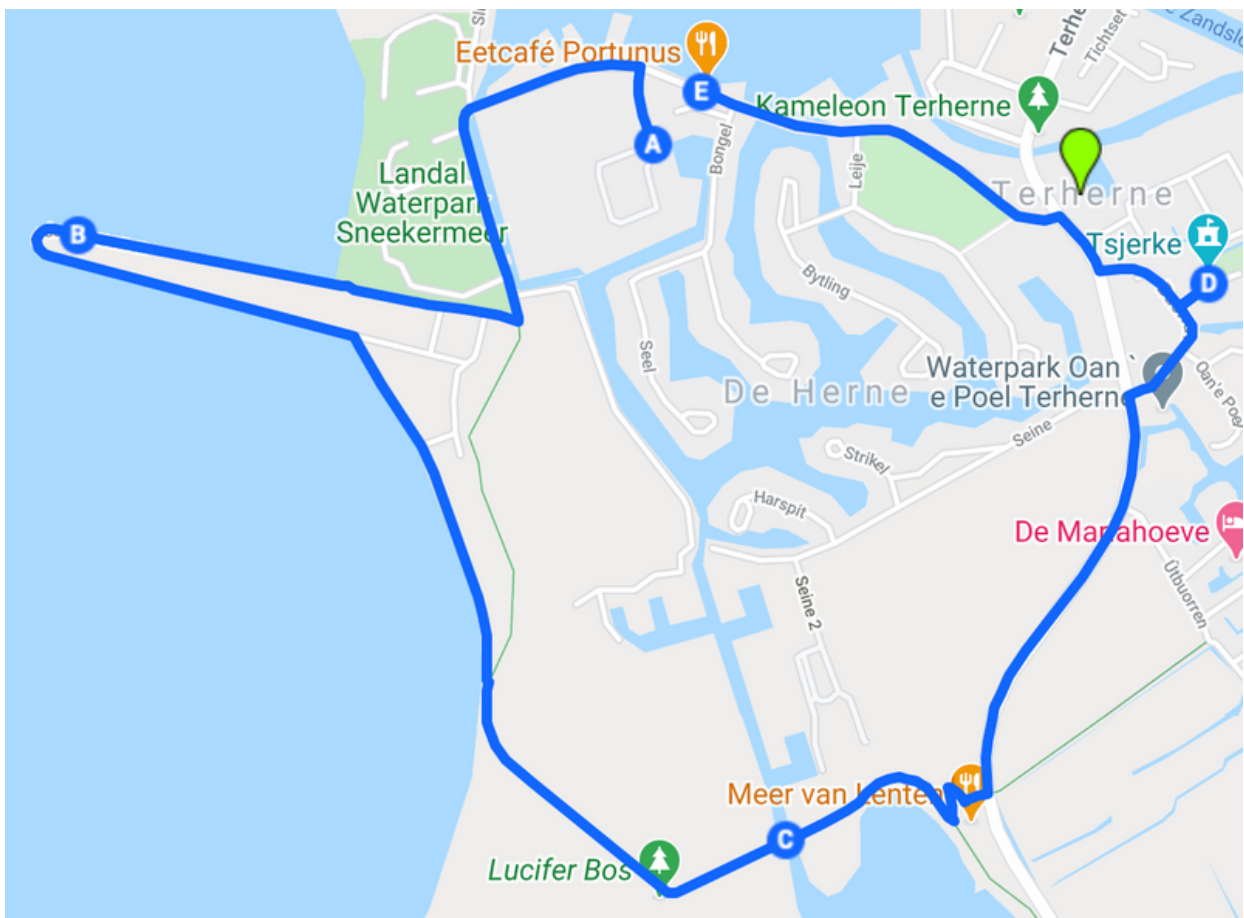

Parking of caravans and mobile homes is not permitted on the property.

There is a lot to discover in the region for children. Here are a few activities that we can recommend. You can find many more tips for kids at www.friesland.nl

KAMELEONDORP

One of the biggest highlights for children in Friesland is right on the doorstep. In the Cameleon-village, children become part of a great adventure. After a boat trip, the paths lead over trees, along the water and through the swamps. Bring clean clothes!

📍 800m from Friesgroen

IJSBOERDEIJ BOERE

On the way to Akkrum you will pass a farm that has been producing ice cream from the milk of farm cows since 1999. Children can play for free on the farm's playground. A tour of the farm is also possible for a small fee. The village shop offers delicious local products. It's worth a visit!

Before you go, please...

- put all used towels on the floor in the bathroom.
- put the used dishes in the dishwasher and turn it on.
- empty the fridge and take your open food with you.
- dispose of your trash in the bins outside.
- turn off the power bar for the TV, the infrared panels and all lights.
- return all furniture to its original place.
- make sure that the outside tap is turned off.
- make sure that the sauna is switched off.
- put the key back to the key-safe.

Thanks for your help!

Thanks for staying!

WE HOPE TO SEE YOU AGAIN SOON!
